

# Aerosmith, Angels Eye

What ya gonna do when the angels come  
Get movin', yeah movin'  
I'm gonna get your kicks from the 911  
It's groovin'...so soothing

Your passions deplete, it's just looking to feed  
Your own fantasy  
The blind side of you is a bad dream come true  
That you can't see

Chorus:  
From an angel's eye  
Kiss your life goodbye  
From an angel's eye  
Ain't no place to hide

Tell me what you see through an angel's eye  
The halo...on fire  
You never really know till it's do or die  
Your devil's desire

Your running in place like a rat in a race  
Going no where  
The evil you speaks from the tongue of the freaks  
So don't go there

Chorus

What ya gonna do when the angel's come  
What ya gonna do when you come undone  
I'm gonna get your kicks from the 911  
Ya so bad...can't hold them

From an angel's eye  
Kiss your life goodbye  
From an angel angel angel's eye  
Ain't no place to hide

Fallen angel  
Fallen angel  
Fallen angel
