

# Aerosmith, Baby, Please Don't Go

(Big Joe Williams)

Baby please don't go  
Baby please don't go  
Baby please don't go down to New Orleans  
You know I love you so  
Before I be your dog  
Before I be your dog  
Before I be your dog  
I get you way'd out here and let you walk alone

Turn your lamp down low  
Turn your lamp down low  
Turn your lamp down low  
I beg you all night long baby please don't go

You brought me way down here  
You brought me way down here  
You brought me way down here  
'Bout to Rolling Forks you treat me like a dog

Baby please don't go  
Baby please don't go  
Baby please don't go back the New Orleans  
I beg you all night long

Before I be your dog  
Before I be your dog  
Before I be your dog  
I get you way'd out here and let you walk alone

You know your man down gone  
You know your man down gone  
You know your man down gone  
To the country farm with all the shackles on
