

# Aerosmith, Bacon Biscuit Blues

Put your biscuits in the oven  
Honey, put your buns in bed  
I wanna come inside your kitchen  
Wanna taste your shortening bread

I want to jump into your skillet  
Honey, tickle your home fries  
I gotta hambone working fill it  
Won't you try it on for size

Uh uh uh uh uh  
Baby ask me no questions  
I'll tell you no lies  
Put your biscuits in the oven  
Honey, watch my dumplin

Rise up - early in the morning  
Rise up - late at night  
Rise up - gotta get me a warning  
Rise up - gonna whet your appetite

Gonna shake and bake you honey  
I want a catcher in the rye  
I wanna sop up all your gravy  
From your deep dish apple pie

So open up your menu  
I wanna slice your honey dew  
I love it honey when you  
Do me like you do

Uh uh uh uh uh  
And if you ask me no questions  
And tell me no lies  
Put your biscuits in the oven  
Honey, watch my dumplin

Rise up - early in the morning  
Rise up - late late late at night  
Rise up - giving me no warning  
Rise up - gonna wet your appetite
