

# Aerosmith, Beyond Beautiful

U gave up the love u got  
And that is that  
She loves me now  
She loves you not  
And that's where it's at  
Just when u thought  
Your love was deep  
It's finders keepers  
Losers weep...Yeah

Love my love my  
Love du jour  
She's mine all mine  
My mind's made up  
Yeah, I'm so sure  
Cuz there's none so fine  
This ain't about  
No losin' sleep  
It's all about  
The love you keep

Yeah, she's a beyond beautiful  
Yeah, she's never been no body's  
Fool that you be stuck with  
Yeah, it's all about me and u  
Believe it or not  
This love that we got  
Is beyond beautiful

Full on lust to full on love without no clue  
And all I was so unsure of and then came you  
Into my life it served me right  
Nobody ever did it quite like you

Yeah, she's a beyond beautiful  
Yeah, she's never been  
No body's fool  
That you be stuck with  
Yeah, it's all about me and u  
Believe it or not  
This love that we got  
Is beyond beautiful...

Yeah, she's a beyond beautiful  
Yeah, she's never been no body's fool you can fuck with  
Yeah, it's all about me and u  
Believe it or not  
Yeah what we got  
Is beyond beautiful...

Yeah, yeah  
Yeah, yeah
