

Aerosmith, Big Ten Inch Record [Live]

Oh, that got to be the strangest woman
Believe me this trick no cinch
I tried to get her goin'
A when I whip out my big ten inch
Record of a band that plays the blues
Well a band that play the blue
A she just love my big ten inch
Record of her favorite blues, yeah
Last night I tried to tease her
I gave her love a little pinch
A she said stop the bullshit
A wont'cha whip out'chor big ten in
Record of a band that plays the blues
We're the band that plays the blues
She just love my big ten inch
Record of her favorite blue
I, I, I cover her with kisses
And when we's in a lover's clinch
It seems she gets all excited
When she begs for my big ten inch
Record of a band that plays the blues
We're a band that play the blue
She just love my big ten inch
Record of her favorite blues
If my daddy could see me now
Joe Perry
Suck on my big ten inch
Record of a band that plays the blues
We're a band that play the blues
She just love my big ten inch
Record of her favorite blues
