

# Aerosmith, Blind Man

I took a course in hallelujah  
I went to night school for the blues  
I took some stuff they said would cool ya  
but nothing seemed to light my fuse  
but it's all in the past  
like a check that's in the mail  
she was a tall whiskey glass  
I was an old hound dog that just loved to chase his tail  
until I met a blind man  
who taught me how to see  
a blind man  
who could change night into day  
and if I can  
I'm gonna make you come with me  
because here comes the sun and  
we'll be chasing all the clouds away

I've had some lovers like a joy ride  
some things are never what they seem  
my heaven's turned into a landslide  
I thank God I woke up from the dream  
because here comes the sun and  
we'll be chasing all the clouds  
the way bees chase honey  
and drink all the flowers dry  
we'll be saving us a little money  
and if that don't do it, yeah, I know the reason why  
don't make no sense lightin' candles  
there's too much moonlight in our eyes  
because here comes the sun  
ain't no surprise  
ain't no doubt about it  
gonna open up your eyes
