

# Aerosmith, Don't Stop

Remember when somebody tried to tell you how to walk  
And now they got the balls to tell us how we should talk  
Though no glove love ain't cool I must agree  
So get outta my face ya' ain't got nothin' on me

Some say they do and some say they don't  
I take it in stride  
And I can never get enough if I don't have to  
Swallow my pride  
I heard it all before and then she told me  
'Give me some slack'  
And then she smiled at me and gave me the shirt  
Right off her back  
(That's when I took advantage of the situation)

Don't stop rockin' your socks off  
Don't stop knockin' their blocks off  
Don't stop gettin' your rocks off  
Don't stop takin' the hit boy  
Don't stop shakin' your fist boy  
Don't stop then give 'em this boy (the finger)

Ain't got much to lose  
I'm feelin so confused

There's such a small thin line between  
Pleasure and pain  
When you say don't then it's don't stop  
I got to complain  
Yeah I think I may be gettin' real tired of all the schemes  
Because its hard to get the way you move out of my dreams.  
(You gots to get it while you can)

Don't stop rockin' your socks off  
Don't stop knockin' their blocks off  
Don't stop gettin' your rocks off  
Don't stop takin' the hit boy  
Don't stop shakin' your fist boy  
Don't stop then give 'em this boy (the finger)  
Whenever you're in doubt  
You gots to whip it out!

When you keep hearin' no  
And your body says yes  
And you can't hear a word that's been said  
But you gotta confess  
Lookin up her address  
Got you thinkin' with your other head  
(Hah hah hah hah hah)  
Don't stop rockin' your socks off  
Don't stop knockin' their blocks off  
Don't stop gettin' your rocks off

Don't stop takin' the hit boy  
Don't stop shakin' your fist boy  
Don't stop givin' 'em this boy (the finger)

Don't stop diggin' the hits boy  
Don't stop its as good as it gets boy  
Don't stop squeezin' the tits boy
