

Aerosmith, Don't Wanna Miss A Thing

I could stay awake just to hear you breathing
Watch you smile while you're sleeping, while you're far away and dreaming
I could spend my life in this sweet surrender
I could stay lost in this moment forever
Every moment spent with you is a moment I treasure
I don't want to close my eyes, I don't want to fall asleep
'Cause I miss you baby and I don't want to miss a thing
'Cause even when I dream of you, the sweetest dream would never do
I still miss you baby and I don't want to miss a thing
Lying close to you feeling your heart beating
And I wondering what you're dreaming, wondering if it's me you're seeing
And then I kiss your eyes and thank God we're together
I just want to stay with you in this moment forever and forever, forever
I don't want to close my eyes, I don't want to fall asleep
'Cause I miss you baby and I don't want to miss a thing
'Cause even when I dream of you, the sweetest dream would never do
I still miss you baby and I don't want to miss a thing
I don't want to miss one smile, I don't want to miss one kiss
I just want to be with you right here with you just like this
I just want to hold you close and feel your heart so close to mine
And just stay here in this moment for all of the rest of time
I don't want to close my eyes, I don't want to fall asleep
'Cause I miss you baby and I don't want to miss a thing
'Cause even when I dream of you, the sweetest dream would never do
I still miss you baby and I don't want to miss a thing
