Milk Cow Bulls

Well I tried everything

Just to get along with you

And I'm gonna tell you just

What I'm gonna do

Well I'm sick of all your cryin

When you should be leavin me alone

If you don't believe me

You pack me bags, I'm gone

Wontcha please

Don't that sun look good goin' down

You almost lost your love girl

When your ol man ain't around

chorus:

Won't you please

Don't that sun look good goin' down

When your ol man ain't around

Won't you please

Don't that sun look good goin' down

And you best believe I love ya baby

When your old man ain't around

chorus (repeat)

round and round
