

Aerosmith, Mother Popcorn

"We'd like to bring someone up on stage now with us.
A Mr. David Woodford. Gonna blow some sax, yeah"

Some like 'em short
Some like 'em tall
Some like 'em thin
Skinny legs and all
I like 'em buttered
I like 'em proud
Now when they walk
They draw a crowd

See, well you gotta have a mother for me
Whatcha say, whatcha say...
See, well you gotta have a mother for me
One more, gimme, gimme
See, well you gotta have a mother for me

Popcorn, popcorn
Cheese cake, cheese cake
Hun' I can't see ya
There ya baby!
Listen here

Some like 'em short, some like 'em tall
Some like 'em thin, skinny legs and all
I like 'em buttered, I like 'em proud
And when they walk, you know they'll draw a crowd

See - well, you gotta have a mother for me (4 x's)
Said you gotta have a mother for me (2 x's)
And you gotta have a mother for me
Gotta have a mother,
Said you gotta have, said you gotta have (2 x's)

She got to give just what she got
To get just what she wants
She got to give just what she got
To get just what she wants
She got to give just what she got
To get just what she wants
What it is, what it is, just what it is

See - well, you gotta have a mother for me (3 x's)
Let's get outta here

See - well, you gotta have a mother for me
Gotta have a mother for me (2 x's)
Said you gotta have a mother, gotta have a mother
Said ya gotta have, gotta have...

Honey, you gotta have a mother for me
