

# Aerosmith, Mother Popcorn

"We'd like to bring someone up on stage now with us.  
A Mr. David Woodford. Gonna blow some sax, yeah"

Some like 'em short  
Some like 'em tall  
Some like 'em thin  
Skinny legs and all  
I like 'em buttered  
I like 'em proud  
Now when they walk  
They draw a crowd

See, well you gotta have a mother for me  
Whatcha say, whatcha say...  
See, well you gotta have a mother for me  
One more, gimme, gimme  
See, well you gotta have a mother for me

Popcorn, popcorn  
Cheese cake, cheese cake  
Hun' I can't see ya  
There ya baby!  
Listen here

Some like 'em short, some like 'em tall  
Some like 'em thin, skinny legs and all  
I like 'em buttered, I like 'em proud  
And when they walk, you know they'll draw a crowd

See - well, you gotta have a mother for me (4 x's)  
Said you gotta have a mother for me (2 x's)  
And you gotta have a mother for me  
Gotta have a mother,  
Said you gotta have, said you gotta have (2 x's)

She got to give just what she got  
To get just what she wants  
She got to give just what she got  
To get just what she wants  
She got to give just what she got  
To get just what she wants  
What it is, what it is, just what it is

See - well, you gotta have a mother for me (3 x's)  
Let's get outta here

See - well, you gotta have a mother for me  
Gotta have a mother for me (2 x's)  
Said you gotta have a mother, gotta have a mother  
Said ya gotta have, gotta have...

Honey, you gotta have a mother for me
