

# Aerosmith, Movin' Out

We all live on the edge of town  
where we all live ain't a soul around  
people start a-comin', all we do is just a-grin  
said we gotta move out cause the city's movin' in  
I said we gotta move out cause the city's movin' in  
tell me who ya know, and I'll tell ya who too  
go see my friend and he'll set you free  
tell me what you need and maybe I can go too  
no one knows the way but maybe me  
nobody goes there, nobody shows where  
nobody knows where you can find me  
good morning glory, halleluh to ya  
what is the story and what's been goin' through ya?  
livin' like a king off the fat of the land  
workin' like a dog in a rock n' roll band  
we're movin' -- we're gettin' out  
we're movin' -- without a doubt  
we're movin' -- we're goin' far  
we're movin' -- oh yes we are  
chorus  
level with God and you're in tune with the universe  
talk with yourself and you'll hear what you wanna know  
gotta rise above cause below it's only gettin' worse  
life in time will take you where you wanna go, where you wanna go, x's a bunch  
baby catch ya round, I don't know where I'm goin'
