

# Aerosmith, Outta Your Head

All the way back in history  
How a girl thinks is a mystery  
We spend our lives  
Cruising the bars  
The Venus girls and  
The men from Mars

So in all this time did u ever think  
Do the girl see red  
When a man a sees pink  
And if your best lovin's in the past  
Cuz your somewhere slow  
Is nowhere fast

You're outta your head  
So outta your head  
Stay outta your head  
You better get with it  
Cuz you're so without it  
You're outta your head  
So outta your head  
Stay outta your head  
Yeah, yeah  
Somewhere, somewhere underneath the rainbow

Bricka bracka fiya kraka  
Sis boom-bah!  
Here comes trouble  
In a push up bra  
Your style is sharp as carpet tack  
But you're out of your box and you're way off track

You can moderate on  
A mental binge  
Your catastrophe's  
On a lunatic fringe  
It's good for the gander  
It's tit for tat  
You say it's all good  
But it's more than that

You're outta your head  
So outta your head  
Stay outta your head  
Yeah, yeah  
Somewhere, somewhere underneath the rainbow

So in all this time did you ever think  
(Think, think, think, think)

You're outta your head  
So outta your head  
Stay outta your head  
You better get with it  
Cuz you're so without it  
You're outta your head  
So outta your head  
Stay outta your head  
Yeah, yeah  
Somewhere, somewhere underneath the rainbow

You're outta your head  
So outta your head  
Stay outta your head

You better get with it  
Cuz you're so without it  
You're outta your head  
So outta your head  
Stay outta your head  
Yeah, yeah  
Somewhere, somewhere underneath the rainbow
