

# Aerosmith & Sierra Leone's Refugee All Stars, Give Peace a Chance

All we are saying is give peace a chance  
All we are saying is give peace a chance  
All we are saying is give peace a chance  
Everybody's talking about  
Bagism, Shagism, Dragism  
Madism, Ragism, Tagism  
This-ism, that-ism, is-m, I don't know  
All we are saying is give peace a chance  
All we are saying is give peace a chance  
Yeah, c'mon, everybody's talking about  
Ministers, sinisters, banisters, canisters  
Bishops and fishops and rabbis and popeyes  
And bye-bye, bye-bye, bye-bye  
All we are saying is give peace a chance  
All we are saying is give peace a chance  
Let me tell you now, everybody talking about  
Revolution, evolution, masturbation, flagellation  
Regulation, integrations, meditations  
United Nations, congratulations  
All we are saying is give peace a chance  
All we are saying is give peace a chance  
Fights for peace, yes, peace that's we need  
Two men who died, too much more to feed  
Total peace for the good of the kids  
Why punish them for what they never did?  
Forget the past and Lord shall forgive  
Everything on earth has his own right to live  
Whether you unlock and whether you await  
Stop this and let us unite  
All we are saying is give peace a chance  
All we are saying is give peace a chance  
All we are saying is give peace a chance
