Aerosmith, St. John

John was bad He gave it everything he had John he prayed For all the people ever made John was cool He never did no after school

Late at night when he praised the Lord He laid his hands down upon the sword

Lay down upon the sword Lay down upon the sword Lay down upon the sword Lay down your bloody sword

John St. John be cool Tell the people they'll follow you John St. John be cool Tell the people they'll follow you

Late at night when he praised the Lord
He lay his hands down upon the bloody sword
Laid down upon the sword, down, down upon the sword
Laid down upon the sword, gettin' down upon the sword
Laid down upon the sword, laid down upon the sword
Laid down upon the sword, &guot;Late Night TV Roared&guot;
