

# Aesop Rock, Odessa

shhh

Dose:

Well or,  
And this is, new york city

Aesop:

Where the shiftiest sources leak out the back door,  
For more and this is new york city

Dose:

oh I see these hear walk,  
I,  
Simply a shade of shephard,  
seems we share fate, honestly

Aesop:

(oh now wait a minute)  
I notice there making mockeries of mad men,  
tend not to bend in the honesty my twenty thousand leagues ending grants sardonic, the sea

Dose:

(it's pitiful)  
the view from this here segue crowds a listeners nothing special simply  
listeners,  
how we dissolve its spores and I'll tell you not flying

Aesop:

and I live beneath the scenic (yeah), where the fossils pledged allegiance, where the centipedes are  
the uprooted turned booty and hacked pleasure to skinny ribbons and I'll suckle my skull caught be

Dose:

left the joke to wick, it,  
he walks whose out now, we, aesop walls up

Aesop:

we,  
tune out the pouts of hiding,  
twilight street merchants, we, deity freely and been here before,

Both:

My place.

Dose:

Murder, of holy, in cushion,  
Partisan, part of the ceiling seems to be leaking, oh, oh, it's the wall  
Forbid box been broken, from man of everywhere, that's what I sleep, I love you,  
Its not easy tying knots, whose paycheck may get rained,  
Outstanding I shall smudge, invest, it's dull here, since we need I go beyond,  
Grey, lonely, this forest is very very different,  
Friend hail things like magnets all the way meant was, [it only takes one slacker] traveling up, it onl

Aesop:

It only takes one slacker, to attack a lack, gritty and complies with time with regulations poachers p  
I'm juiced, noosed father, no dissed deduce by the ambiance of motives and the modus operandi's  
I'm supportive, sort of here to modify those monsters tried to sidewind pleasure captains round my  
My sit times on some here I lay my bricks alone to build these walls among us dreams can spread  
After date rape, and it germs, and I burn for less fortunate starlight chasers forced to use there last  
Pack a day profess cloud spitter literate pencifist missed the pissed drunk of concert  
Dull and system missed the funk I'm in a lull

Dose:

I'm thinking of a number from one to red, is a beautiful color.to shade paper hat ink, I'm thinking of

Aesop:

I'm thinking of a number from one to home, one ridiculous tennament with no wings to spread, I'm

Dose:

Funny how, faces show up, waters for me, my mouth and snore

Aesop:

It could've been me but it wasn't

The crash and burn and burn and crash infected could collect fee indirectly but it doesn't

Dose:

(These are broken cards),

given to dues missed of friendly lips tied life is going blank, slap look, it's mirrored universe and one

Aesop:

and I'm down to earth,

Dose:

I'm down to earth, road.

Aesop:

My zero hour snuffed doc, where the marked the day the mirth burns

The time allotted, knotted loops around the plotted, boycotted the wattages, toys for the prodding of

One time down cloud me as the useless playtime string and think it smirked worthy well, your with r

Sickly thread bare slid back my needle point life willow, man I purposely spun straw to gold to lace

It must have been the dust, the dust, my god the dust he clutched the dust, father to rust encrust th

Dose:

Toy, bird, In my teeth, empathy, dwell, in merciful spring, friend
