Afghan Wigs - You My Flower

=====

so what YOU make me hard  
if i was harder now i would crack into a million things  
things i didn't really need  
but how i wanted so  
what a nice dream  
didn't want to wake up  
so i kept it dark all the time  
dark enough so not to see  
but not as dark as the plans that YOU have for me  
so what YOU made me smile  
i had smiled at lesser things before i ever thought of YOU  
before i thought my soul was mine  
now i think about me only when i can find the time  
flowers all around  
put your lover in the ground  
flowers everywhere yeah yeah yeah  
nowhere YOU can be found  
i have put YOU in the ground  
nowhere is everywhere  
for YOU my flower  
better get myself a drink  
better get a couple so i can look YOU straight in the face  
tell YOU that i think of YOU  
almost as much as YOU think of YOU
