

# AFI, Brownie Bottom Sundae

Into the dark is where you're draggin' me  
and into your dark is where I never want to be.  
I know I'm not alone  
and I really want to leave.  
Into the dark is where you want to watch me bleed.

I'm feelin' kinda trapped,  
I gotta go.  
I'm feelin' kinda trapped don't you know.  
I'm feelin' really trapped I gotta go.  
I gotta go.

I'm being dragged down, for how long, I don't know.  
I'm being dragged down and I rise up way too slow.  
I know I don't belong here and I think I ought to go.  
I hope that I can leave here, leave here with my soul.

I'm feelin' kinda trapped,  
I gotta go.  
I'm feelin' kinda trapped don't you know.  
I'm feelin' really trapped I gotta go.  
I gotta go.

I Gotta Go!
