

AFI, Let It Be Broke

I live in truth, complacently.

Where's the threat you see in me?

Am I the cause of your Self consciousness?

You scream at me

'cause I can't ignore the destructiveness that you support,

'cause my life's contrary to yours.

No soft words from my mouth.

A glazed look in your eyes.

I live in the world of reality,

you comfort yourself with lies.

I will release myself,

I will detach myself from you.

I will detach myself from you kind.

I've seen your life but I can't see how it is that

you can be so content in your own ignorance. Its been so dark for so long now a new light has come
so shut your eyes.

I won't tell you what you want to hear,

I will show you what's real. I will, will defy.
