

AFI, Rolling Balls

Bowling is my life
and it has always been my dream to be a member of the local bowling team,
although I'm not very good.
The guys won't accept me,
I guess I try the girls team and lose a part of my anatomy then balls will roll.
I think I want to be...
Balls will roll,
I think it's time,
it's time for me to be a girl.
It's a very big decision,
it's going to change my life.
I'll have to make all new friends,
I 'm gonna lose my wife.
But that's okay with me.
There's something in my soul.
It doesn't matter who's the better man,
it the man who gets to bowl.
I 've made my decision ,
I'm gonna make the change.
There will be rolling balls,
I'm gonna play my game.
It's gonna be so great.
It's gonna be the best, besides,
I've always told myself I look good in a dress.
I'm gonna cut'em off,
I'm gonna cut'em off,
I'm gonna cut'em off.
I'll never have to cough.
Now I've made my change and I've fulfilled my dream.
I'm now a member of the women's bowling team.
I hope I throw a strike,
'cause I'll never score again.
My first game is tomorrow,
I will go to play and then...
