

# AFI, Rolling Balls

Bowling is my life  
and it has always been my dream to be a member of the local bowling team,  
although I'm not very good.  
The guys won't accept me,  
I guess I try the girls team and lose a part of my anatomy then balls will roll.  
I think I want to be...  
Balls will roll,  
I think it's time,  
it's time for me to be a girl.  
It's a very big decision,  
it's going to change my life.  
I'll have to make all new friends,  
I 'm gonna lose my wife.  
But that's okay with me.  
There's something in my soul.  
It doesn't matter who's the better man,  
it the man who gets to bowl.  
I 've made my decision ,  
I'm gonna make the change.  
There will be rolling balls,  
I'm gonna play my game.  
It's gonna be so great.  
It's gonna be the best, besides,  
I've always told myself I look good in a dress.  
I'm gonna cut'em off,  
I'm gonna cut'em off,  
I'm gonna cut'em off.  
I'll never have to cough.  
Now I've made my change and I've fulfilled my dream.  
I'm now a member of the women's bowling team.  
I hope I throw a strike,  
'cause I'll never score again.  
My first game is tomorrow,  
I will go to play and then...
