Afrojack, Gone (feat. Ty Dolla \$ign)

If I give you what you wanted, can you keep it off the record? And when I turn on the camera, tell me, can you take direction? Perfection! You know the suite is presidential, you about to get elected In the morning we can sip champagne and I'mma eat you up for breakfast, Delicious

Two times, you know I love that, love that, love that Thick thighs, you know I love that, love that, love that Talk nasty, girl I love that, love that, love that, love that Back up on me, I love that, love that, love that

All around the world, It's your turn We can take our time, this is slow burn Pop another pill, never sober Baby, planning on leaving your life around midnight Gone, gone, gone already Baby we'll be gone, gone already Gone!

In the morning we'll be gone In the morning we'll be gone You already know In the morning we'll be gone

Baby I don't wanna rush you, you know you control the tempo I bet you like it when I touch I do, Blow your mind just like a whistle, Official No we ain't gotta complicate things, just keep it nice and simple Nice and simple, nice and simple That's how we do it, how we do it all day, Baby girl you got potential If you want the info, I'mma give it to you!

Two times, you know I love that, love that, love that Thick thighs, you know I love that, love that, love that Talk nasty, girl I love that, love that, love that, love that Back up on me, I love that, love that, love that
