

Afrojack, How I like it (ft.Diplo)

That's the way I like it
That's the way I like it, yeah
You know I wanted to,
keep on going all the way.
That's the way I like it
That's the way I like it, yeah
Just touch me on it.
Baby you just made my day.
That's the way I like it
That's the way I like it, yeah
You know I wanted to,
keep on going all the way.
That's the way I like it
That's the way I like it, yeah
Just touch me on it.
Baby you just made my day.
That's the way I like it
That's the way I like it, yeah
You know I wanted to,
keep on going all the way.
That's the way I like it
That's the way I like it, yeah
Just touch me on it.
Baby you just made my day.
