

# Afromental, I've got what you need

when i look at your body i see  
you're really attractive baby girl yeah baby girl yeah.  
you're lookin' by me by me i'm findin compash and startin'  
don't you know girl?  
when you mess around me makes me go crazy  
i'm tryin' to keep up but still i'm kinda lazy  
you're next to me pretending to be a queen  
you're going by livin now still lookin' at me girl  
i've got what you need but if you don't it cry  
is no fuckin tonight baby girl  
so do what you get or you do what is right  
it's your decision it's your time  
babe, you see my smile and moving quicker  
maybe you think that i'm a love seeker  
but i want you now for them gold-diggers to look and that you wondering can [?]  
every move that you make  
everytime that you look at me  
every smile that i see makes me think of my fantasies  
i'll be by your side  
we both gettin down  
but it turn around to pay with another girl  
i've got what you need but if you don't it cry  
is no fuckin tonight baby girl  
so do what you get or you do what is right  
it's your decision it's your time
