

# After 7, Not Enough Hours In The Night

I got so much I want to say  
I got so much I want to do  
there never seems to be enough  
time to be with you, so let me  
hold you in my arm and when the  
moment here and gone I'll be  
missing you. It's not fair when  
the morning come and the night  
must fade, ooh I can't wait to  
hold you again cause there just

Chorus:

Not enough hours in the night  
( to hold you), not enough hours  
in these arms, to show you, the love  
I feel inside, there just not enough  
time to love you.  
not enough,not enough

verse 2

I want to hold you in my arms  
I want to look into your eyes  
I want to spend the rest of  
time making love with you, ooh,baby  
I love so much, no time would ever be  
enough to be close to you, it's  
not right when the moon light fade  
and the kisses end, ooh, I can't  
wait to kiss you again (yeah)

Chorus:

not enough hours in the night  
(to hold you), not enough hours  
in these arms (to show you), the  
love I feel inside there just not  
enough time, (ah), not enough minutes  
in a day (not enough to tell you that I  
love you), not enough time to do the things  
(the things I want to do, yeah), not enough  
hours in the night, to love

If I can stop the clock every kiss  
would last forever, if I can spend for-  
ever here by your side, still wouldn't  
be no enough time for you and I, no,no

Repeat Chorus
