

After Forever, Who I Am

You hypnotize me
I do not dare to look
You mesmerize me
Don't even dare to feel

I want to have it just to prove I can take control
I want to have it just to show them I won't be fooled
I take it
I break it
I'll force you
Just to let them know who I am
Who I am

I'll softly touch this
I'll fire up this flame
I'll hold on gently
It's time to leave the game

I want to have it just to prove I can take control
I want to have it just to show them I won't be fooled
I take it
I break it
I'll force you
Just to let them know who I am
Who I am

I want to have it just to prove I can take control
I want to have it just to show them I won't be fooled
I take it
I break it
I'll force you
Just to let them know who I am

Oh, I want to have it
Just wait and think it over
I break it, I take it
I don't want to push it
I'll force it
Just to let them know

That is not who I am
Who I am
