MY LIFE WITH THE THRILL KILL KULT - After The Flesh

&quot;

I am the new way to go&quot; &quot;

I am the way of the future&quot; &quot;

I am the new way to go&quot; &quot;

I am the way of the future&quot; &quot;

There's a lot innocent people being crucified&quot;

you things things things of the flesh do it slow

down avenues fuck me lust my eyes

licking lips encouraging mr. careworn

to gaze upon a screen bask on after the flesh

we'll infect your carnal mind after the flesh

I walked through forests with ugly spirits

kissed their feet and found them calm calm calm

still I don't have any money money money

my body suffers after the flesh

&quot;

I am the way of the future&quot; &quot;

They blew his brains out at gunpoint&quot; &quot;

I am the new way to go&quot; &quot;

I am the way of the future&quot; &quot;

Get in and fasten your seatbelt,&quot;

We'll infect your carnal mind, mind, mind, mind

We'll infect your carnal mind, mind, mind, mind

We'll infect your carnal mind, mind, mind, mind

We'll infect your carnal mind, mind, mind, mind

After the Flesh

I walked through forests with ugly spirits

Kissed their feet, and found them calm, calm, calm

Still I don't have any money, money, money

My body suffers after the flesh

&quot;

I am the new way to go&quot; &quot;

I am the way of the future&quot;
