

# Against Me!, Cavalier Eternal

Girl, I'm sorry, but I'm leaving  
We're both at fault  
We're both to blame  
And it wasn't the other men, cause there were other women  
This just isn't love  
It's just the remorse of a loss, of a feelin'  
Even if I stayed, it just wouldn't be the same

Double this drink up into the, tallest glass you've got  
You know that I ain't used to sleepin', all alone  
Gonna make it to the moon, tonight  
On a one-way kamikaze flight  
If I could get so high, I'd leave behind my problems  
And take them out with the empty bottles

Oh girl, sorry, but I'm leaving  
We're both at fault, we're both to blame  
And it wasn't the other men cause there were other women  
This just isn't love, it's just the remorse of a loss, of a feelin'  
Even if I stayed, it just wouldn't be the same

Me and this guitar are going, swinging blind into the unknown  
You know a song and a stage is all I ever need of a home

Someday I, will call, from a payphone in a truckstop on the road  
And you'll tell me how much better off you've been on your own
