Your injection

What lies in the deepest sea
No-one ever knows
Its a secret no-one wants to show me
It was so beautiful
And it took me by my soul
Itll lead me to the grave
If you dont give me what you gave

You see I can live without you
Life blown away when you left me
Im just a m* therf*cker out with no protection
Came back to hush me with your injection

Sinker deeper and deeper my ship
My final rest, is what I see
I want to see, I want to feel
I want to taste the sweetness of life
I want you to see when I arrive

You see I can live without you
Life blown away when you left me
Im just a m* therf*cker out with no protection
Came back to hush me with your injection
