

Agnes Carlsson, Don't Go Breaking My Heart

Calling your name
Calling your name
How did this happen?
I'm losing my way
You can go insane, I don't understand it, now
The water runs deep, and it's taken me
It's taken me so far away
Walls caving in, I'm giving in
Cause they taking it all away
I can't stop this now, noo
Cause my world revolves 'round you
My defense is down, yeaah
And there's nothing I can do
So Don't Go Breaking My Heart
Don't Go Breaking My Heart
Don't Go Breaking My....Breaking My Heart
Don't Go Breaking My Heart
Don't Go Breaking My Heaaaart
Baby it's you, baby it's you
You got me hopeless
I'm losing my grip, what can I do
You know I can't focus, no
The water runs deep, and it's taken me
It's taken me so far away
Walls caving in, I'm giving in
Cause they taking it all away
I can't stop this now, noo
Cause my world revolves 'round you
My defense is down, yeaah
And there's nothing I can do
So Don't Go Breaking My Heart
Don't Go Breaking My Heart
Don't Go Breaking My....Breaking My Heart
Don't Go Breaking My Heart
Don't Go Breaking My Heaaaart
I know it's hard, I felt the pain
Let's take a chance and start again
I'm really deep, I'm calling out
Oh can't you hear, hear me now?
Don't break my heart...
Don't break my heart...
I can't stop this now, noo
Cause my world revolves 'round you
My defense is down, yeaah
And there's nothing I can do
So Don't Go Breaking My Heart
Don't Go Breaking My Heart
Don't Go Breaking My....Breaking My Heart
Don't Go Breaking My Heart
Don't Go Breaking My Heaaaart
