

# Agnes Carlsson, Emotional

I don't need a heartache  
And crushes can be so fake  
Sooner than you know it  
They turn your world around  
You might think I'm crazy  
When I don't want red roses, yea  
I'd rather have you promise  
To never let me down  
I don't wanna fall in love  
I try and try, but then we get emotional  
Oh I don't need a hit and run  
Don't tell me we were only having fun  
Kinda like your sweet talk  
And that could make a good start  
But if you want to move me oh  
Play it straight with my heart  
I don't wanna fall in love  
I try and try, but then we get emotional  
Oh I don't need a hit and run  
Don't tell me we were only having fun  
So maybe you're the one  
Who gets me going on  
But I'm not waiting for a star to fall  
You gotta treat me right  
And be my knight in white  
That's so emotional  
Mm yeah  
Oh yeah  
Oh oh emotional  
Oh oh emotional  
Oh oh emotional  
So emotional  
Oh yeaah  
I don't wanna fall in love  
I try and try, but then we get emotional  
Oh I don't need a hit and run  
Don't tell me we were only having fun  
I don't wanna fall in love  
I try and try, but then we get emotional  
Oh I don't need a hit and run  
Don't tell me we were only having fun
