

Agnes Carlsson, Get my math

Step in the club, with my girls like whut
Lookin so tight, and u know wazup
I meet your eyes, and yours meet mine
Thinkin this might be your time (ooh)
Ecstatic, dramatic, I need u like an addic
Cum on and, jump on it
Make sure that your game is tight
Work it
Try a little harder
Spit it
If u wanna roll babe
Twirk it
U might get my math from me
Your doing what a real man should
The way you move, it feels so good
Attraction boy, is plain to see
Come on baby, rock with me (hey)
If u wanna step to me
If u wanna get next to me,
If u wanna step to me
Make sure that your game is tight
