

# Agnes Carlsson, I need you now

Im fine dont believe it  
You know me enough to know thats a lie  
Im close hard it is to say  
To total this as I barely holding on  
I need you now I need you dont turn away  
I need you now please dont turn me away  
I need you I need you  
Out of here where Ive been spinning  
Its nearly impossible to slow down  
One night of your company  
Might be the only thing to keep me save  
The clock is ticking and the fuse is turning  
Cant keep wondering from what is coming  
Dont turn me away dont turn me away  
I need you now I need you dont turn away  
I need you now please dont turn me away  
I need you I need you  
How many times have I come to you vulnerable like this?  
I know you have the right to question but please dont ask  
I need you now  
The clock is ticking and the fuse is turning  
Cant keep wondering from what is coming  
Dont turn me away dont turn me away  
I need you now I need you dont turn away  
I need you now please dont turn me away  
I need you I need you  
Cant keep wondering from what is coming
