

Agnes Carlsson, Stranded

Boy, you got me stranded feelin for you
And I dont know what to do about it
Come on and help me through
Boy you got me stranded with you
Such a beautiful mind
Such a beautiful soul
I never met someone like you befor
And we could fly so high
Painting pictures of you and me together comin true in my mind
And I feel oh baby
Deep down inside we could be magical
Boy, you got me stranded feelin for you
And I dont know what to do about it
Come on and help me through
Boy you got me stranded with you
Now Ive opend my heart yes
I sharing secrets with you ohh
Im not afraid baby just take my hand
And lead us to a place where
We can find each other
entwine and peacefully
And all I know is that Im
lost in your love thats one thing
One thing I know for sure
Boy, you got me stranded feelin for you
And I dont know what to do about it
Come on and help me through
Boy you got me stranded with you
I never thought Id fall so easily
by simply looking in your eyes
Cause boy you got me boy you got me stranded
Wont you come and rescue me
