Mr. Persuasion

Now I made up my mind

But it's never too late,

You can turn the tide in any conversation

You sway me when you say it that way

Oh, I imagine whatever you say.

They call you Mr. Persuasion,

'Cos you can talk me up and down

And all you do is tell me that,

That's cos' you're Mr. Persuasion,

That's cos' you're Mr. Persuasion.

Now when you're on a roll

You're a real romancer,

You got all the questions and all the answers

You sway me when you say it that way

Oh, I imagine whatever you say.

They call you Mr. Persuasion,

'Cos you can talk me up and down

And all you do is tell me that,

That's cos' you're Mr. Persuasion,

That's cos' you're Mr. Persuasion.

Now you could talk me into

Almost anything you want to,

'Cos you're Mr. Persuasion

You'd convince me day was night

You're never wrong, you're always so right.

Well I got a mind

But I put it on vacation,

That's 'cos you're Mr. Persuasion,

Oh, how you sway me when you say it that way

Ohh, I imagine whatever you say.

They call you Mr. Persuasion

'Cos you can talk me up and down

And all you do is tell me that

(That's 'cos you're Mr. Persuasion)

All you do is tell me that

(That's 'cos you're Mr. Persuasion)

All you do is tell me that....
