

# Agnostic Front, Blinded

Blinded but now I see, my choice is my destiny  
I got back what I lost, but was it worth the cost?  
My back is turned, you can't wait to speak  
No balls to back up what you preach  
BLINDED YOUR BLINDED  
The time will come when someone calls your bluff  
Your gonna burn, enoughts enough  
CAUSE YOU ARE BLINDED BY THE LIGHT AGAIN [x2]
