

Agnostic Front, Frustration

What I dont want to ever
Have to think about again
What I dont want to ever
Have to think about again.
Well I dont want you tell me
About what I know I gotta do
Well I dont want you tell me
About what I know I gotta do.
Well Im frustrated walking down the street
You dont know what Im thinking in my head
When Im frustrated walking down the street
You dont know what I really understand.
Is it something that you gotta say
Is it something that you gotta do
Is it something that you want from me.
Something for you.
