

# Agonoize, Paranoid Destruction

I live in a lie  
Don't ask me why  
Lay in my bed  
With a gun to my head  
Whispering voices in my head  
Running shadows follow me  
I could not feel right from wrong  
You're in me neither it can't be real

Paranoid  
Paranoid destruction  
Paranoid  
Paranoid destruction

I bring you death  
Drink your blood  
Deplore your soul  
Decapitate you

I live in a lie  
Don't ask me why  
Lay in my bed  
With a gun to my head

Paranoid
