

Agression, Brain Bondage

Do you have brain bondage
Spend all your time in front of the T.V. set
Don't you know they're trying to show you just how to live
Better not listen, and don't let them win
Brain bondage, brain bondage
They try to shape the way America lives
Brain bondage, brain bondage
Better not listen and don't let them win
You look so cool in your Sassoon jeans
Going to the beach, you gotta wear your O.P's
Wear a leather jacket if you wanna look mean
Why not shine it all, it's just a scene
