

Agua De Annique, Somewhere

Lost in the darkness
Hoping for a sign
Steady, solid silence (?)
Can't you hear my screams?
Never stop hoping
Need to know where you are
'Cause one thing's for sure
You're always in my heart...
I'll find you somewhere
I'll keep on trying
Until my dying day
I just need to know
Whatever has happened
The truth will free my soul
Lost in the darkness
Trying to find your way home
I want to embrace you
And never let you go
Almost so pure in Heaven (?)
So no one can hurt your soul
Living in agony
'Cause I just do not know
Where you are...
I'll find you somewhere
I'll keep on trying
Until my dying day
I just need to know
Whatever has happened
The truth will free my soul
Wherever you are I won't stop searching
Whatever it takes me to know
I'll find you somewhere
I'll keep on trying
Until my dying day
I just need to know
Whatever has happened
The truth will free my soul
