Agua De Annique, Somewhere

Lost in the darkness Hoping for a sign Steady, solid silence (?) Can't you hear my screams? Never stop hoping Need to know where you are 'Cause one thing's for sure You're always in my heart... I'll find you somewhere I'll keep on trying Until my dying day I just need to know Whatever has happened The truth will free my soul Lost in the darkness Trying to find your way home I want to embrace you And never let you go Almost so pure in Heaven (?) So no one can hurt your soul Living in agony 'Cause I just do not know Where you are... I'll find you somewhere I'll keep on trying Until my dying day I just need to know Whatever has happened The truth will free my soul Wherever you are I won't stop searching Whatever it takes me to know I'll find you somewhere I'll keep on trying Until my dying day I just need to know Whatever has happened The truth will free my soul
