Aguilera Christina

Stripped

Fighter

After all you put me through

You'd think I despise you

But in the end, I wanna thank you

'Cause you make me that much stronger

When I, thought I knew you

Thinking that you were true

I guess I, I couldn't trust

Called your bluff, time is up

'Cause I've had enough

You were, there by my side

Always down for the ride

But your, joy ride just came down in flames

'Cause your greed sold me out of shame

After all of the stealing and cheating

You probably think that I hold resentment for you

But, oh no, you're wrong

'Cause if it wasn't for all that you tried to do

I wouldn't know just how capable I am to pull through

So I wanna say thank you

'Cause it makes me that much stronger

Makes me work a little bit harder

It makes me that much wiser

So thanks for making me a fighter

Made me learn a little bit faster

Made my skin a little bit thicker

Makes me that much smarter

So thanks for making me a fighter

Never saw it coming

All of your backstabbing

Just so you could cash in

On a good thing before I realized your game

I heard you're going round

Playing the victim now

But don't even begin

Feeling I'm the one to blame

'Cause you dug your own grave

After all of the fights and the lies

Yes you wanted to harm me but that won't work anymore

No more, oh no, it's over

'Cause if it wasn't for all of your torture

I wouldn't know how to be this way now

And never back down

So I wanna say thank you

'Cause it makes me that much stronger

Makes me work a little bit harder

Makes me that much wiser

So thanks for making me a fighter

Made me learn a little bit faster

Made my skin a little bit thicker

It makes me that much smarter

So thanks for making me a fighter

How could this man I thought I knew  
Turn out to be unjust, so cruel  
Could only see the good in you  
Pretended not to see the truth  
You tried to hide your lies, disguise yourself  
Through living in denial  
But in the end you'll see  
You won't stop me

I am a fighter and I  
I ain't goin' stop  
There is no turning back  
I've had enough

'Cause it makes me that much stronger  
Makes me work a little bit harder  
It makes me that much wiser  
So thanks for making me a fighter  
Made me learn a little bit faster  
Made my skin a little bit thicker  
Makes me that much smarter  
So thanks for making me a fighter

Thought I would forget  
But I remember  
I remember  
I'll remember, I'll remember

Thought I would forget  
But I remember  
I remember  
I'll remember, I'll remember

'Cause it makes me that much stronger  
Makes me work a little bit harder  
It makes me that much wiser  
So thanks for making me a fighter  
Made me learn a little bit faster  
Made my skin a little bit thicker  
Makes me that much smarter  
So thanks for making me a fighter
