

Aguilera Christina, Loving Me 4 Me

Aguilera Christina

Stripped

Loving Me 4 Me

People ask if I'm in love with you

Because I'm sitting here with your picture

And smiling to myself

I'm kinda lost in my own thoughts of you

My heart speaks before my mind thinks through

And I blush as I say yes

What a feeling of vulnerability coming over me

And I'm feeling weak and I can't speak

Never thought I'd give in so willingly to a human being

With abilities to set me free

Free, make me be me

Makes me want to say

Your lips, your love, your smile, your kiss

I must admit it's a part of me

You please me, complete me, believe me

Like a melody

Your soul, your flow, your youth, your truth is simply proof

We were meant to be

But the best quality that's hookin' me

Is that you're loving me for me

Is that you're loving me for me

People ask why I'm in love with you

Well, let me start by saying

You got my heart by just being who you are

And what we got is between me and you

It doesn't matter about the money I make

Or what I do, or that I'm a, huh, a star

Unconditionally you're there for me

Undeniably you inspire me, spiritually, so sweet

This is meaningful, is incredible, pleasurable, unforgettable

The way I feel, so sweet

Makes me want to say

Your lips, your love, your smile, your kiss

I must admit it's a part of me

You please me, complete me, believe me

Like a melody

Your soul, your flow, your youth, your truth is simply proof

We were meant to be

But the best quality that's hookin' me

Is that you're loving me for me

Is that you're loving me for me

It's so amazing how something so sweet

Has come and rearranged my life

I've been kissed by destiny

Oh, heaven came and saved me

An angel was placed at my feet

This isn't ordinary, he's loving me for me

Stripped of all make up, no need for fancy clothes

No cover ups, push ups

With him, I don't have to put on a show

He loves every freckle, every curve, every inch of my skin

Fulfilling me entirely, taking all of me in

He's real, he's honest, he's loving me for me

Yeah
