

# Aguilera Christina, These Are The Special Times

Aguilera Christina

My Kind Of Christmas

These Are The Special Times

In these moments, moments of our lives

All the world is ours, and this world is so right

You and I sharing this time together

Sharing the same dream,

As time goes by we will find

These are the special times, times we'll remember

These are the precious times

The tender times we'll hold in our hearts forever

These are the sweetest times, these times together

And through it all, one thing will always be true

The special times are the times I share with you

With each moment, moment passing by

We'll make memories that will last all our lives

As you and I travel through time together

Living this sweet dream

And every day we can say

These are the special times, times we'll remember

These are the precious times

The tender times we'll hold in our hearts forever

These are the sweetest times, these times together

And through it all, one thing will always be true

The special times are the times I share with you

These tender moments, heaven is so close

These are the moments that I know

These are the special times, times we'll remember

These are the precious times

The tender times we'll hold in our hearts forever

These are the sweetest times, these times together

And through it all, one thing will always be true

The special times are the times I share

The special times are the times we share

The special times are the times I share with you
