

Aguilera Christina, These Are The Special Times

Aguilera Christina
My Kind Of Christmas
These Are The Special Times
In these moments, moments of our lives
All the world is ours, and this world is so right
You and I sharing this time together
Sharing the same dream,
As time goes by we will find

These are the special times, times we'll remember
These are the precious times
The tender times we'll hold in our hearts forever
These are the sweetest times, these times together
And through it all, one thing will always be true
The special times are the times I share with you

With each moment, moment passing by
We'll make memories that will last all our lives
As you and I travel through time together
Living this sweet dream
And every day we can say

These are the special times, times we'll remember
These are the precious times
The tender times we'll hold in our hearts forever
These are the sweetest times, these times together
And through it all, one thing will always be true
The special times are the times I share with you
These tender moments, heaven is so close
These are the moments that I know

These are the special times, times we'll remember
These are the precious times
The tender times we'll hold in our hearts forever
These are the sweetest times, these times together
And through it all, one thing will always be true
The special times are the times I share
The special times are the times we share
The special times are the times I share with you
