

# Ahab, Old Thunder

Ahab:

"Look sharp, marines!"  
"Dead whale or sunk boat!"  
"Hunt him 'till he spouts black blood"  
"And rolls fin up!"

Old Thunder ye once was called,  
Fulfill the prophecy

All but one shall be entombed  
In the deep gulf of doom

Beware the white demon  
Beware the blasphemous end

(Ahab: "I am Ahab!"  
"I am the prophet and the fulfiller!"  
"Who's over me?"  
"So be it!")
