Aiden, Fifteen

Fifteen I'm strung out once again and kicked out I think well I'm on my own, I'm on my own now, sixteen and I said goodbye to those I knew I'll never see well I can't see home I cant see home now when I look at the path That I chose and I'll say to you Live Fast Die Young we'll stay out on the run so live fast and die young Live Fast Die Young we'll stay out on the run so live fast and die young Seventeen I'm sleepin on the streets and no hope I think well I'm in the cold I'm in the cold now, I look to a god I said in my own life I'll never see well I can't see home I can't see home now when I look at the path that I chose and I'll say to you. Live Fast Die Young we'll stay out on the run so live fast and die young Live Fast Die Young we'll stay out on the run so live fast and die young We'll cherish every moment last forever, We'll cherish every moment now, We'll cherish every moment last forever, We'll cherish every moment now (x3)
