

Aiden, It's Cold Tonight

Her eyes look cold. I see hate. This blade sunk deep inside your wrist, its not worth fighting, just rest.
Were going nowhere fast. Can you wake up from this world of ours? Its so cold tonight. Were going
You look so good. Those black eyes. I know that now Ive miss the boat, and helped in cutting my o
Were going nowhere fast. Can you wake up from this world of ours? Its so cold tonight. Were going
So now whats next? You let the fire set you free. I know youre already dead, but you promised me.
Were going nowhere fast. Can you wake up from this world of ours? Its so cold tonight. Were going
