

Aiden, Son Of Lies

Son of lies,
Son of lies inside my heart.
(whoah)
Son of lies,
Son of lies tear us apart.

Sing, My darling Crystalline,
And shine, So bright we all go blind.
Stay, A million words to say
And show, Until we all go home.

(Chorus)
The world!
Won't Last!
Don't Bring it Back!

So Rise, Caroline Dive in your skies
(Tonight! Tonight!)
You're the son of lies.
So Rise, Caroline Dive in your skies
(Tonight! Tonight!)
You're the son of lies.

Destroy Me.

Look, My fucking heart you took.
And cold, these days it grows like stone.

(Chorus)

Destroy me... (repeat)

We're forming,
We're forming,
Infect the living to the end
(to the end)

We're forming,
We're forming,
Infect the living to the end
(to the end)

Son of lies,
Son of lies inside my heart.
Son of lies,
Son of lies, Tear us apart.

(Chorus x2)
