

Aimée Allen, I'd Start A Revolution

Hey kids rock 'n roll
That's how I lost control
Hey kids go get high
I can't remember why
Up all night
I waste my time
I am fine
But a day behind
Up all night being stupid and happy
But the days are overlapping
My days are overlapping
I'd start a revolution
If I could get up in the morning
I'd start a revolution
If I could get up, get up
I'd start a revolution
start a revolution
If I could get up, get up
start a revolution
start a revolution
If I could get up in the morning
Hey every day is the weekend
I stay up so I sleep in
Hey every day there's a reason
I just do it all over again
Up all night
I waste my time
I am fine
But a day behind
Up all night being stupid and happy
But the days are overlapping
My days are overlapping
I'd start a revolution
If I could get up in the morning...
all the things I do
That you tell me not to
Try walking in my shoes
But you stumble don't you?
Four, Five, Six AM
I'm up all night
I'd start a revolution
If I could get up in the morning...
